EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claim 19 is amended to read as follows:

19. A telecommunication terminal device for use with a public telephone network and external terminal devices of different types, the telecommunications terminal device comprising:

a network connection unit through which a connection to the public telephone network is maintained;

a first external terminal connection unit which serially connects a first external terminal device having a serial-type interface to the public telephone network using the network connection unit according to a first switching unit being in a first state;

a second external terminal connection unit which connects a second external terminal device having a parallel-type interface in parallel to the public telephone network using the network connection unit according to the first switching unit being in a second state; and

the first switching unit electrically connected between the network connection unit and the first and second external connection units such that, according to the first and second states, the first external terminal device and the second external terminal device are connected with the public telephone network, wherein

Art Unit: 2615

the network connection unit includes first and second pins,
the first external terminal connection unit comprises third and fourth pins, and
the first switching unit is disposed in a connection between one of the first and second pins and one of the third and fourth pins so that, when in the first state, the serial connection is formed, and when in the second state, the serial connection is not formed.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:
3. Claims 1 through 7, 19 and 21 through 24 are allowable for reasons stated in the previous Office action.
4. Applicant has rewritten Claim 16 in independent form including the limitations of the base claim and all intervening claims. As such, Claim 16 is allowable for reasons stated in the previous Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel Swerdlow whose telephone number is 571-272-7531. The examiner can normally be reached on Monday through Friday between 7:30 AM and 5:00 PM.
